

Applying for a Mortgage?

Check out your credit score

If you have a good score then you are more likely to be approved for a mortgage that has good terms and conditions

Work out your budget

Sit down and work out your budget. Make sure you know your finances and you have the extra money you need over and above the mortgage required for the property.

Have proof of income

When applying for a mortgage it's crucial you can prove what you earn so that you can illustrate you can comfortably make the repayments

Get professional help

If you can please consult a mortgage broker or advisor as they will guide you through the whole process which will take a huge weight off your shoulders
